Tournament Handicap Policy

The following criteria will be used to establish the handicaps to be used by golfers for tournament play as indicated.

For Women's Wednesday, Men's Thursday, Saturday Scrambles, and all special tournaments:

- RCRVR Handicap – established by posting at least five rounds over the previous twelve-month period in our local Short Course RCRVR Golf Club handicap system or;
- USGA Handicap conversion – established USGA handicap index (at least five rounds posted over previous twelve-month period) converted to our golf course using the conversion table for the Short Course posted in the SCH. GHIN (Golf Handicap and Information Network) number required to verify handicap index number to be used for conversion or;
- No Handicap established - use a handicap of 15 for men and 20 for women (only used if there is no RCRVR handicap or USGA handicap index established).

For Monday Blue Course tournaments only:

- USGA established handicap index converted to the RCRVR golf course using the conversion table for the Blue Course posted in the SCH or;
- Handicaps established in the RCRVR Blue Course handicap system or;
- Handicaps established in the RCRVR Short Course RCRVR Golf Club plus two (2) strokes.
